3-5 pm Afternoon Song Workshop

➤ **Yiddish Songs and Melodies of Nature** with the **Strauss/Warschauer Duo, Deborah Strauss & Cantor Jeff Warschauer.**

Music, nature, and Yiddish go hand in hand! Join us for a Shabbes afternoon workshop of Yiddish and Hasidic songs and melodies, both old and new, that celebrate the arrival of spring. All are welcome. No knowledge of Yiddish or previous experience necessary.

7-9 pm Evening Concert

➤ **Efnt Dem Toyer: Open the Gate!** with the **Strauss/Warschauer Duo, special guest Pete Rushefsky & friends.**

Join us as they present an uplifting concert about love, unity, and the strength of *di goldene keyt*, the golden chain of Yiddish culture that spans the generations. The concert will culminate with a *hey mish* and *yidishlekh havdole* (Havdalah) to usher out the Sabbath and welcome the new week with a real *yidishn tam*... a Yiddish flavor!
